

# Reiki Treatment

Intention Setting

**Intention Setting**  
*Have client affirm*  
 "I invite the presence of my divine  
 and I ask for as many miracles as  
 I'm allowed to have today. I allow the  
 healing energy of Reiki to come in and  
 help me release conscious and  
 subconscious energies that no longer  
 serve me or my highest good."

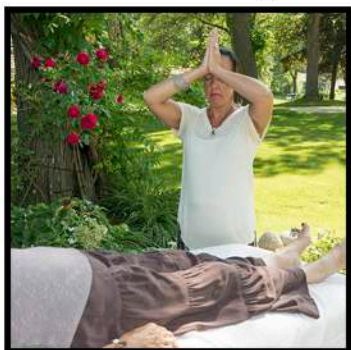

Intentions

**The Three Pillars of Reiki**  
**Gassho** - Connect with Reiki using the long  
 distance symbol if you have it.  
 Set a prayer of intention for  
 healing of the highest good of the client.  
 Invite the presence of your divine  
 (create a phrase that works for you).  
**Reiji-Ho** - "I command my ego and  
 personality to step aside.  
 I ask for my 3rd eye to open up  
 and to be intuitively guided  
 throughout this session."  
**Chirijo** - Treatment
